A RESOLUTION OF THE COLLIER METROPOLITAN

Hi Marcellus / Kristi –

Carmen and I had a chance to speak on the I-75 from Golden Gate to Corkscrew MPDB Project. Since the funding has been moved from the -2 through the -6 segments onto the 452544-1 segment, it has not been formally brought to the MPO Board or committees. I believe the TAC and CAC committees meet on 08/24/2026 and the MPO Board meets on 09/11/2026. To make the TIP Amendment onto the agendas, the TIP Amendment request would have to go out today... I know the timeline is tight, but would you be able to send the request today?

Here's a screenshot of the Current STIP which accurately shows the project description, limits, funding amounts, and fiscal years:
